United States District Court
Southern District of New York

New York, New York 10007

Re: *Leighton Technologies, LLC v. Oberthur Card Systems, S.A.*,
Case No. 04 Civ. 02496 (CM)(LMS)

Dear Judge McMahon:

Pursuant to this Court's letter ruling of March 21, 2007, the parties understand that the Court will entertain oral argument on the pending Motions for Summary Judgment in the above matter in mid-May. If it would be convenient for the Court, the parties have conferred and agreed that the dates of either May 14 or May 21 in the Court's New York City chambers would be convenient dates.

If the above dates are not convenient for the Court, the parties would respectfully request the opportunity to choose from alternative dates and locations (either White Plains or New York City) that may be more convenient for the Court.

Thank you.
